When you're not feeling well you can get the support you need easily using LiveHealth Online. Whether you have a cold, you're feeling anxious or need help managing your medication, doctors and mental health professionals are right there, ready to help you feel your best. Using LiveHealth Online you can have a video visit with a board-certified doctor, psychiatrist or licensed therapist from your smartphone, tablet or computer from home or anywhere.

On LiveHealth Online, you can:

- **See a board-certified doctor 24/7.** You don't need an appointment to see a doctor. They're always available to assess your condition and send a prescription to the pharmacy you choose, if needed.¹ It's a great option when you have pink eye, a cold, the flu, a fever, allergies, a sinus infection or another common health issue.
- **Visit a licensed therapist in four days or less.**² Have a video visit with a therapist to get help with anxiety, depression, grief, panic attacks and more. Schedule your appointment online or call **1-888-548-3432** from **8 a.m. to 8 p.m.**, seven days a week.
- **Consult a board-certified psychiatrist within two weeks.**³ If you're over 18 years old, you can get medication support to help you manage a mental health condition. To schedule your appointment call **1-888-548-3432** from **8 a.m. to 8 p.m.**, seven days a week.

You've got access to affordable and convenient care

Your Anthem plan includes benefits for video visits using LiveHealth Online, so you'll just pay your share of the costs — usually \$59 or less for medical doctor visits, and a 45-minute therapy or psychiatry session usually costs the same as an office mental health visit.
