

# Connect with mental health support using our Sydney Health app or anthem.com

If you're feeling anxious or depressed, or having trouble coping with problems at home or at work, you can connect to a licensed therapist or board-certified psychologist or psychiatrist through a virtual care video visit.<sup>1</sup> Appointments can be scheduled within 1-2 weeks.<sup>2</sup> Psychiatrists are available to help you manage your medications. They do not provide counseling or talk therapy.<sup>3</sup>

When it's time for your appointment, use your smartphone, tablet, or computer with a camera to meet securely through our Sydney<sup>SM</sup> Health app or anthem.com.

In addition to using a telehealth service, you can receive in-person or virtual care from your own doctor or another healthcare provider in your plan's network. If you receive care from a doctor or healthcare provider not in your plan's network, your share of the costs may be higher. You may also receive a bill for any charges not covered by your health plan.
